3  
4 IN THE UNITED STATES DISTRICT COURT  
5 FOR THE NORTHERN DISTRICT OF CALIFORNIA  
6

7 UNITED STATES OF AMERICA,  
8 Plaintiff,  
9 v.  
10 ROBERT JACOBSEN,  
11 Defendant.

Case No. 15-cr-00518-MMC-1

**ORDER RE: MOTION FOR ORDER OF  
RECOMMENDATION**

Re: Doc. No. 239

12  
13 Before the Court is defendant's "Motion for Order Recommending Placement on  
14 Home Confinement for the Remainder of the Sentence in Light of COVID-19," filed April  
15 12, 2020.

16 Having read and considered the motion, the Court finds defendant has not shown  
17 good cause for the relief sought, and, accordingly, hereby DENIES the motion.

18 In light of defendant's age and his documented medical conditions (see Vorobyov  
19 Decl. Ex. D), however, the Court, pursuant to 18 U.S.C. § 3621(b)(4)(B), recommends to  
20 the Bureau of Prisons that defendant be placed, if possible, in a facility that best allows  
21 defendant to meaningfully adhere to the advice given by the country's health officials,  
22 including those at the Centers for Disease Control, as to how to avoid becoming infected  
23 with COVID-19.

24 **IT IS SO ORDERED.**

25  
26 Dated: April 14, 2020

  
MAXINE M. CHESNEY  
United States District Judge
